

**CITROËN DISPATCH**

INSPIRÉ PAR PRO

During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have

been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

## 1951

Innovative, light, tough and economical, the 2CV Mini-van has always been a much-loved classic. Between 1951 and 1978 over 1.2 million were made, and they remain highly collectable today.

## 2020

Voted Light Van of the Year for 2020 by WhatVan? magazine, Berlingo Van impresses with its Driver and Worker versions, choice of M and XL lengths and its 19 Driving Aids. These include innovative Surround Rear Vision, which offers unprecedented visibility. That's why it remains the reference model for business professionals.

**CITROËN**  
*Origins*

Discover the models that make up Citroën's extraordinary history, from 1919 to the present day.

1934

Citroën revolutionises the automotive landscape with the Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

1939

Citroën launches the 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous Type H, above, launched in 1948.

1948

The much-loved 2CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

1955

Unveiled to a stunned public at the 1955 Paris Motor Show, the DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname 'flying saucer'.

1968

It's a golden age for light and agile vehicles like the Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

2017

Winners of the Manufacturers' Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers' Champion five times in a row; eight Manufacturers' Champion titles in WRC plus three in WTCC... Citroën has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.

## CITROËN DISPATCH

WORKING SMART,  
WORKING HARD

Advanced, well equipped and effortlessly functional, Citroën Dispatch is designed for professionals. Built on a proven modular platform, this is a vehicle that delivers more practicality, extra comfort and cutting edge safety.

## THE POWER OF THREE

The modular platform means that Citroën Dispatch is available in three lengths. The XS is just 4.6m long – a usefully compact first in this segment. M is 4.95m and XL is 5.3m.

XS 4.60m

M 4.95m

XL 5.30m

## GOING LOWER

With a height of 1.9m\*, Citroën Dispatch can access all kinds of places that are off limits for rival vans. From underground car parks to airports and shopping centres, you're now able to enter!

\* 1.94 m with larger payload and XL versions.

1.9.0

# ENTERPRISE VERSION

Enterprise versions of Citroën Dispatch are perfect for professionals who demand great load carrying capability combined with advanced specification. Available in XS, M and XL lengths and as a Crew Van, all Enterprise versions come with air conditioning, DAB radio, Bluetooth® and rear parking sensors as standard.

## WORKER VERSION

Difficult-to-access worksites are no problem for Citroën Dispatch Worker. Whether its cargo is heavy equipment or work colleagues, with Grip Control, a suspension raised by 20mm and a protective plate under the engine, this robust van will exceed your expectations. Available in M and XL sizes, it offers three seats at the front, the innovative Moduwork® seating and a payload of up to 1400 kg.

## DRIVER VERSION

The focus of the Driver version is on professionals who make long journeys or multi-drop deliveries. Available in both M and XL sizes, the Driver's acoustic pack ensures comfort, whilst safety is enhanced with both the Park Assist 180° (including front and rear parking sensors, Visio Park 180° rear parking camera and blind spot monitoring system), and the Safety Pack, which includes Lane Departure Warning System, Driver Attention Alert, smart beam headlights and speed limit recognition. Additional equipment includes electrically folding heated door mirrors, front fog lights and Citroën Connect Navigation on the 7" colour touchscreen.

## — MODUWORK\*

INNOVATION  
IN SPACE

To maximise the space and versatility in Citroën Dispatch, Moduwork® provides a load-through bulkhead and folding side passenger seat. This extends the load length in XL versions up to a full 4m. You'll also find an anti-shift net in the cab for use with long loads for extra safety. The interior of Citroën Dispatch also converts seamlessly into your mobile office. The central armrest incorporates a pivoting table with a sturdy elastic retainer that's ideal for securing your tablet or laptop. You can add holders for smartphones and tablets from the range of dedicated accessories. This is an interior that offers genuine comfort too, with plenty of legroom for all passengers – even more in versions with the piloted manual gearbox.

\*Optional on Dispatch X; standard on Enterprise, Worker and Driver panel vans. Not available on the Crew Van versions.

<p>3</p>	<p>UP TO 4 m</p>
----------	----------------------

## ON YOUR SIDE

Citroën Dispatch maximises accessibility and ease of loading through its core design and innovative details. Equipped as standard with two sliding side doors, it will easily accommodate up to 3 Euro pallets\* thanks to its 93cm opening\*. Designed to make life easier, optional electric sliding doors can be opened and closed simply by moving your foot under the corner of the rear bumper, activating the plip, using the handle or from the cabin.

\* M and XL versions.

## SERIOUSLY ACCOMMODATING

Offering up to 6.6m<sup>3</sup> of flexible load space, Citroën Dispatch is designed to carry everything you need, safely and securely. On XL versions, the rear doors can be specified to open to 250 degrees, which makes working in cramped conditions much easier. Inside you can choose between unfinished wood or treated wood ply-lining, which is anti-slip, waterproof, easy to clean and well protected by aluminium sills. There is a range of ply options, designed to protect the floor or the whole load area, including side panelling and wheel arches. To complete the practical picture, there is a 12V socket positioned near the back of the cargo area on all versions, and an optional tow hitch that can pull up to 2.5t\*.

\*According to gross vehicle weight [GVW] limit.

 UP TO <b>6.60 m<sup>3</sup></b>	 UP TO <b>2.50 t</b>	 UP TO <b>1.40 m</b>
 UP TO <b>4 m</b>	 UP TO <b>1400 kg</b>	 UP TO <b>1.258 m</b>

INNER  
CALM

EASY  
LIVING

LESS  
STRESS

ALL ROUND RELAXATION

Designed to offer unrivalled comfort and wellbeing for each passenger, **CITROËN ADVANCED COMFORT®** provides the best for body and mind. Soft-touch contact points and low noise levels create a sense of calm, while interior space is designed to be stylish and really versatile. The overall ambiance makes journeys feel effortless and intuitive technology gives control at your fingertips of the practical and unique features.

SMOOTH  
OPERATION

## YOUR MOBILE OFFICE

The interior of Citroën Dispatch has been carefully designed to provide a comfortable office on the move. Lower the central armrest and you'll find a pivoting writing table\* that's perfect for supporting your notebook or laptop. Built into the centre console is an ingenious tablet holder\*\* which folds down over the dashboard to give you fingertip access to your tablet. Created to accommodate tablets up to 11 inches, it can be charged from the USB port. On the driver's side, you can also specify a neat smartphone holder\*\* with integrated power cable: this really is a space designed around the needs of working on the move.

\* Available with Moduwork®.  
\*\* Available as an accessory.

## FINE-TUNED WORK SPACE

Settle into one of the three front seats in Citroën Dispatch and you'll instantly feel at home: they're ergonomically shaped to support you and deliver a spot on driving position. Adjustable for height and reach, the driver's seat gives a commanding view of the road and high mileage comfort. A moulded step ensures easy access to the cabin time after time. To further enhance the interior, you can specify the bulkhead with an optional window and insulating material\* which keeps the cockpit snug and reduces road noise too. It's a really important detail that you'll appreciate every working day.

\* Available on Crew Van versions only.

## HANDS-FREE SLIDING SIDE DOORS

Citroën Dispatch is packed with ideas that make your day less hectic. The hands-free technology of the optional Easy Entry Pack is a perfect example. It allows you to open the sliding side doors simply by moving your foot under the corner of the rear bumper, and you can also close the door and lock the whole vehicle in the same way. Practical, innovative and unique. Having your hands full need never be a problem again.

## CREW VAN FOR EVERYONE AND EVERYTHING

With Citroën Dispatch Crew Van you get spacious people carrier and serious load capacity – without compromise. The cabin will seat up to six individuals and offers up to 4m<sup>3</sup> of load space, with loads up to 2.3 metres long easily accommodated.

6 	 UP TO 2.40 m	 UP TO 1,250 kg	 UP TO 5.50 m <sup>3</sup>

## UNLIMITED POSSIBILITIES

Citroën Dispatch is designed to adapt to all your work needs. Functional and easy to use, it turns space into a flexible working asset. The figures speak volumes: load length up to a very useful 4m, load height of 1.4m and a payload right up to 1,400kg. In a nutshell, you've got a maximum of 6.6m<sup>3</sup> of versatile load area. To get your cargo and colleagues where they need to be, safely and securely, the Grip Control\* system can be specified, offering 5 driving modes for challenging terrain. Now worksites and dirt roads won't stop you in your tracks.

\*Standard on Worker versions. Available as a cost option on other versions.

 UP TO <b>4 m</b>	 UP TO <b>1,400 kg</b>
 UP TO <b>6.60 m<sup>3</sup></b>	 UP TO <b>2.50 t</b>

### GRIP CONTROL

Grip Control is an advanced anti-skid system that adapts instantly to diverse challenging driving conditions and maximises grip everywhere. You can switch easily between the five modes: normal, all-terrain, snow, sand and Electronic Stability Control off.

## TECHNOLOGY WORKING WITH YOU

HEAD-UP COLOUR DISPLAY\*,  
7 INCH COLOUR  
TOUCHSCREEN\* ...

A serious safety benefit and new to the segment, Head-Up Colour Display\* allows you to keep your eyes on the road while accessing essential driver information. This includes speed, cruise control settings, navigation information and collision alerts. For state of the art clarity and instant fingertip control of all multimedia functions, Citroën Dispatch is equipped with a bright 7 inch colour touchscreen\*\*, two 12V sockets\*\*, a USB plug, all keep you fully connected wherever you go.

*\*Standard on Driver versions. Cost option on Enterprise versions.*

*\*\*Standard on Enterprise and Driver versions. Cost option on other versions.*

## THOUGHTFUL STORAGE

Citroën Dispatch is designed around the demands of working life. That's why you'll find numerous useful storage spaces for everyday equipment and valuable tools. There are two door pockets large enough to swallow 1.5 litre bottles, a big storage area under the passenger seat, open-and-close glove box, dashboard mounted cup holders, plus an A4 sized storage shelf at the top of the centre console: space for everything a busy day demands.

DANGER ZONES ALERT

CONNECTIVITY

TOP REAR VISION

CITROËN CONNECT BOX

## SOPHISTICATED TOUCH

7" COLOUR TOUCHSCREEN\*

Everywhere in Citroën Dispatch you'll discover technology that makes work on the move easier, and many of these innovations are controlled through the 7 inch colour touchscreen. The optional Citroën Connect Nav system delivers useful services such as TomTom Traffic that provides real time traffic information, the location of service stations, car parks and their prices and a search function for points of local interest. You can access all this through voice control, or with instant fingertip control via the touchscreen. A truly exclusive feature that makes good use of the touchscreen is Park Assist 180\*\*. You get a wide overhead view from the reversing camera while you're manoeuvring, and as the vehicle gets close to concealed obstacles, the system zooms in so that you can negotiate the remaining distance with relaxed precision.

\*Depending on version

\*\*Standard on Driver versions. Cost option on Enterprise versions.

∅ CAN BE DEACTIVATED

## GRIP CONTROL

The traction of the front wheels can be optimised for the surface the van is travelling on with the traction control system. The dashboard dial makes it simple to select one of the five available modes: Standard, Snow, Sand, Mud, ESC off.

## SMART BEAM HEADLIGHTS\*

Instantly switching from high to low beam when an oncoming vehicle is detected, the system activates above 15 mph.

## CORNERING LIGHT FUNCTION

This extra beam of light is focused on the inside of bends to increase visibility and safety while turning and at junctions.

## ADAPTIVE CRUISE CONTROL

Helping you to drive safely and without stress, Adaptive Cruise Control enables Citroën Dispatch to adapt its speed to vehicles in front. The technology can reduce speed by up to 12.5 mph in changeable traffic conditions, such as on a busy motorway.

## COLLISION RISK ALERT

This system gives both a visual and audio warning if the vehicle is at risk of colliding with the vehicle in front, or with a pedestrian in the road.

## HEAD-UP COLOUR DISPLAY\*

This technology lets you keep your eyes on the road while viewing essential driver information (current and recommended speed, cruise control/speed limiter settings, navigation instructions and collision alert) on a transparent strip in front of the windscreen. A first for a vehicle in this segment.

## COFFEE BREAK ALERT

Designed to limit driver fatigue, the system lets the driver know when it's time to take a break, i.e. after a total of two hours of driving at over 40 mph.

## DRIVER ATTENTION ALERT\*

With the help of the multifunctional windscreen-mounted camera and steering wheel movements, this safety innovation can detect driver drowsiness and send audible and visual alerts.

\* Dependent on version.

# 16 SAFETY SYSTEM AND DRIVING AIDS

∅ CAN BE DEACTIVATED

∅ CAN BE DEACTIVATED

∅ CAN BE DEACTIVATED

∅ CAN BE DEACTIVATED

∅ CAN BE DEACTIVATED

## BLIND SPOT DETECTION

This monitoring system detects vehicles close behind, hidden by the rear view mirror 'blind spot'. A bright orange warning light is activated in your door mirror, providing a clear warning.

## LANE DEPARTURE WARNING SYSTEM\*

The windscreen-mounted camera detects when lane line markings are crossed without the indicators being activated. It then alerts the driver audibly and visually, allowing quick and safe correction.

## SPEED LIMIT SIGN RECOGNITION\*

Recognising speed limits everywhere in real time, Speed Limit Sign Recognition uses the on board camera to read signs and send clear recommendations to the driver. Simply set the right maximum on the cruise control and relax.

## TRAILER STABILITY CONTROL\*

The Trailer Stability Control helps you tow trailers more safely by detecting any sway in the trailer, and stabilising it using the brakes.

## ACTIVE SAFETY BRAKE\*

Available for the first time on Citroën Dispatch, the Active Safety Brake is a significant safety benefit. Using the windscreen-mounted camera, the system detects potential collisions with stationary or slowing vehicles ahead and automatically applies braking. This can help you to avoid accidents altogether at up to 18 mph and significantly reduce impacts at higher speeds.

## HILL START ASSIST

Operating on gradients of more than 3%, Hill Start Assist stops the vehicle rolling when the brake pedal is released for approximately two seconds. The driver can move from the brake to the accelerator much more calmly, knowing the van won't roll.

## REVERSING CAMERA WITH TOP REAR VISION

While in reverse gear, the touch screen displays the view of the area behind the vehicle using the rear-facing camera. To make things easier, coloured lines represent how close obstacles are to the van within a reconstructed 180° image.

## KEYLESS ENTRY AND START\*

Lock, unlock and start your vehicle, all without taking your key out. Each Citroën Dispatch recognises its driver as they approach thanks to the technology in the key.

\* Dependent on version.

## ENGINE RANGE

### HIGH PERFORMANCE EFFICIENCY

Powering Citroën Dispatch is a range of advanced BlueHDi diesel engines. Each meets the latest Euro 6.2 standards and delivers the kind of flexible performance that makes every working trip a pleasure. With versions producing between 100hp to 180hp, there's an engine to suit all jobs, and as ever, efficiency is key. The BlueHDi 120 S&S 6-speed manual (300Nm) produces 142g/km of CO<sub>2</sub>, making it the best in class. Whichever engine you select, you'll appreciate the exceptional economy and low overall running costs.

The EAT8 (8-speed Efficient Automatic Transmission), available on the BlueHDi 120 and 180 S&S diesel engines, combines driving pleasure and environmental efficiency. Thanks to the Quickshift technology it provides fast and fluid gear changes, offering exceptional dynamism and driving pleasure, both on main roads and in town.

### • CITROËN WARRANTY

Every new Citroën van has the benefit of a 3 year\* warranty package, plus a 5 year anti-perforation\*\* warranty and a 2 year paint warranty.

### • CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both van and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details please contact Citroën at <http://citroen-uk-en.custhelp.com>

\* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on vans sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 100,000 miles for vans.

\*\* Against all internal to external perforation to bodywork or underbody.

WARRANTY

### • CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

### • CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

### • CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free outstanding manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government). Please consult your local Citroën dealer for the most up-to-date prices and specification details for all models. CO<sub>2</sub> figures above are for a standard vehicle without any additional optional equipment. The addition of optional extras could increase the certified CO<sub>2</sub> emission output.

\* WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other vans tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures.

\*\* Includes driver

24 Not available on electric versions.

### SpeedCam/Danger Zones package

The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit <https://services-store.citroen.co.uk/> to subscribe.
